

FURICH TEJO

Grey – Gelding – 16.1hh – 2010

Zurich X Cantos

This drop dead gorgeous boy is an impeccably talented horse with the temperament to match. He is a much loved horse who is absolutely adored by his current owners and is only for sale as she focuses on her eventing career.

He has competed with huge success BD at Elementary and Medium level including at Area Festivals. He also recently scored 71% in the Open Dressage at the Pony Club Championships alongside his incredible success as an international event horse.

To train, Tejo absolutely loves to please, he has 3 loves paces and coupled with an incredibly easy, trainable temperament he is constantly trying to please his rider. He has been correctly trained and has a soft mouth, is responsive and easy off the leg with easy lateral work and simple changes.

Tejo has previously evented to FEI 3* level (including competing at 8 international competitions) and had many successes at this level. Last year he also started competing British Show Jumping qualifying for Foxhunter second rounds and 1.15 Amateur finals.

This is a truly wonderful horse who would suit a young rider or adult. He has the temperament to make a super schoolmaster but equally has the talent to continue progressing through the levels. He has previously hunted with impeccable manners and also hacks alone and in company.
