

MAX

Bay – Gelding – 16.1hh – 2014

Big Star X Lux

A super sweet and kind gelding who is so easy to do and makes training and competing fun and enjoyable!

Max is currently training Novice/Elementary; he loves learning new movements, knows his leg yields and has a super work ethic. He has competed BD Prelim & Novice with scores up to 70% at Prelim and 66% at Novice.

He is an incredibly kind, sweet natured boy with a super character and is always wanting to please his rider. He is really uncomplicated, easy to handle, isn't fazed by new environments and just gets on with his job.

As with all our horses, Max hacks every week and also does pole work which he loves. He would make a super BD Youth horse or for an adult rider to attend lessons, clinics, hack, compete and have an enjoyable journey together.
