

FRED

Grey – Gelding – 16.1hh – 2012

Friedensritter X Weltmeyer

This gorgeous boy is training Advanced Medium and is a super sweet, kind gelding with 3 easy paces, lovely lateral work and confident in his changes.

He had an established competition record with scores up to 68% at Medium level and he has already started his first few Advanced Mediums too. He has also competed at Area Festivals and Regionals too.

Fred hacks and loves his pole work; he loves attention and fuss and would suit a rider wanting a horse to build a relationship with and would be equally happy to drop back down to Prelim or continue through the levels.
